About Us

Texas Woman's University (TWU) is a great place to work. With an enrollment of over 16,000 students, TWU is the nation's largest university primarily for women. Texas Woman's University Department of Public Safety (TWU DPS) is a fully commissioned police department. All of our officers are classified as State Peace Officers, commissioned by TWU with primary jurisdiction in all Texas counties where TWU owns, controls, or leases property.

Developing and maintaining a safe and secure environment for the university community is the primary mission of TWU DPS. We strive to meet this goal with professionally trained staff and the cooperation of all students, faculty and staff. Our combined efforts result in TWU having one of the lowest rates of reported crime in the nation when compared to universities of similar size.
